JOIN the Pennsylvania State Association of Township Engineers

And **SERVE** your township **BETTER.**

Your role as a township engineer covers a lot of ground and requires up-to-date information on the latest technology, processes, and regulations.

Fortunately, the Pennsylvania State Association of Township Engineers is here to help you keep pace. Whether you work on your own or with a large firm, we have a membership option to meet your needs:

- **Corporate** — \$300 (must be a corporation or professional engineering firm with more than one engineer; additional members from the same firm may enroll for an extra \$35 each)
- **Township engineer** — \$65 (a licensed professional engineer employed full-time by a PSATS member township)
- **Other municipal engineer** — \$85 (a licensed professional engineer employed full-time by a non-member municipality)
- **Individual** — \$190

Every option offers you a full complement of benefits that you won't find anywhere else.

Being a member of the Pennsylvania State Association of Township Engineers means being part of a statewide information network.

From newsletter and magazine subscriptions to training and networking opportunities, membership is your ticket to information that can help you do your job better.

Membership benefits include:

- Subscriptions to:
 - The *Township Engineer*, the official quarterly newsletter of the Township Engineers Association
 - The *Pennsylvania Township News*, PSATS' award-winning monthly magazine
 - The *PSATS News Bulletin*, a monthly newsletter that will keep you up to date on legislation and other breaking news affecting townships
- Lower member rate to attend all PSATS training courses, including semi-annual seminars addressing current issues and topics of special interest to township engineers
- Sample ordinances and resolutions
- Online access to the Members Only content on the PSATS website
- Consultation with PSATS' staff and engineering consultant
- A \$100 discount on advertising in the *Pa. Township News* Professional Directory
